# 4K PERGO-SOLEIL™ PANELS

## Shade & Art Wall Panels

**4K Aluminum provides decorative pergola systems which produce shade and natural lighting for your outdoor space in artistic patterns you never thought possible!**

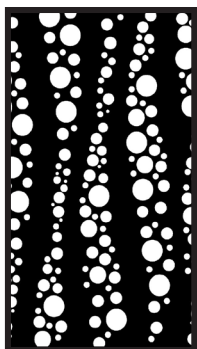

*4K Aluminum* provides decorative pergola systems which produce shade and natural lighting for your outdoor space in artistic patterns you never thought possible! The various designs of the *Pergo-Soleil™* Panels filter natural light and allow you to create a unique décor for your outdoor space. In addition, you can now enjoy decorator styling previously available only in custom construction!

*4K Pergola™ Systems*, integrated with *4K Pergo-Soleil™* Panels, are engineered to provide the exceptional structural integrity necessary to withstand extreme conditions such as high winds and heavy snow while remaining maintenance-free for many years. Our panels are thick aluminum sheets that are laser cut in many designs in 4x8 Ft x .100 thickness, 5052 H-38, the hardest temper in the industry with powder coating on both sides, and our industry-leading 20-year warranty.
